

Wisconsin Foundation and Alumni Association
Alumni Park Facilities Patron Code of Conduct
Alumni Park, One Alumni Place, Rooftop Deck and Goodspeed Family Pier
September 3, 2017

Alumni Park is a special use park on University Lands. Alumni Park was developed and is managed by the Wisconsin Alumni Association, a division of the Wisconsin Foundation and Alumni Association (WFAA), in collaboration with the University of Wisconsin Madison and the Wisconsin Union as outlined in the Operating and Service Agreement for Alumni Park between WFAA and the Board of Regents of the University of Wisconsin System.

Wisconsin Foundation and Alumni Association (WFAA) Mission: To promote the welfare of and advance the objectives of the University of Wisconsin-Madison by encouraging the interest, engagement and financial support of alumni, donors and friends in the life of the university and with each other. The Alumni Relations and Engagement division works to strengthen the university by connecting UW–Madison alumni and donors with the university and with each other.

Alumni Park Mission and intended uses: Honoring UW-Madison alumni living the Wisconsin Idea; offering educational experiences via permanent exhibits and artworks; fostering alumni connection with each other, students, campus and community; and providing a green space for campus and patrons.

Alumni Park Facilities intended uses:

- One Alumni Place: As a welcome center for UW-Madison alumni, guests and Wisconsin Alumni Association members; as an Alumni Park visitor and information center; and as a programmatic event space.
- Rooftop Deck: As a gathering space for UW-Madison alumni and guests, Wisconsin Alumni Association members, and Alumni Park patrons, and as a programmatic event space.
- Goodspeed Family Pier: Public boat slip access to campus and Alumni Park for UW-Madison alumni and guests, Wisconsin Alumni Association members, and Alumni Park patrons, and as a programmatic event space.

Wisconsin Foundation and Alumni Association Strategic Beliefs include:

- The University of Wisconsin-Madison has a transforming impact on students, alumni, and society.
- Authentic, lifelong relationships and engagement with alumni, donors and friends are fundamental to sustaining the reputation and continued success of the University.
- Philanthropy has an essential and growing importance on the future progress of UW-Madison.
- Diverse views, experiences and perspectives strengthen WFAA and the university community.

Purpose of the Policy:

WFAA, working in partnership with the University and Wisconsin Union, is responsible for managing the various functions of the Alumni Park and coordinating the interests of all the various groups and individuals using Alumni Park, One Alumni Place, the Rooftop Deck, and the Goodspeed Family Pier.

In order to provide a safe, respectful environment for patrons and the University community, the following expectations have been established for “**Alumni Park facilities**,” which for the purposes of this policy include Alumni Park, the Goodspeed Family Pier, One Alumni Place (within 650 N. Lake St.), and the Rooftop Deck.

For purposes of this policy, “**Alumni Park patrons**” includes users of Alumni Park, the Goodspeed Family Pier, One Alumni Place and the Rooftop Deck, including UW-Madison alumni, students, faculty, staff (individually or as organized groups), university guests and park visitors over the age of 18, as well as Wisconsin Alumni Association members.

Alumni Park facilities will be managed by WFAA in partnership with the Wisconsin Union and staffed in partnership with UW-Madison Campus and Visitor Relations, and for the purposes of this policy “**staff**” can include staff of any of these three organizations.

As Alumni Park is on University Lands, and Alumni Park and the Memorial Union Terrace are contiguous spaces, with shared educational, cultural, social and recreational activities and patrons, WFAA and the University have developed shared conduct policies and behavior expectations, and a shared enforcement zone for the Memorial Union Terrace and Alumni Park.

In addition to this policy, the uses of Alumni Park are governed by the rules and policies of the University of Wisconsin Board of Regents, UW Chapter 18: Conduct on University Lands, the UW-Madison Facilities Use Policies and Guidelines including but not limited to G-24 Use of Alumni Park, and the posted rules of Alumni Park/Memorial Union Terrace.

Report Bias or Hate

Alumni Park and the Wisconsin Foundation and Alumni Association, as a part of the University of Wisconsin-Madison community, value a diverse and hospitable learning environment where incidents of bias or hate are not tolerated and should be reported. [Report an incident.](#) Information at doso.students.wisc.edu.

Protests, Rallies and Other Assemblies

As outlined by the UW-Madison Dean of Students Office, Madison strongly values free speech both in the statement of an idea and in the response to that idea. As Alumni Park is on campus lands, the university’s approach to picketing, rallies, parades, demonstrations and other assemblies (including protests) applies.

“The university’s commitment to free speech, teaching, research and safety will dictate its response to protests and demonstrations. Protests and demonstrations that do not diminish the university’s ability to maintain these core values are a natural part of a vibrant campus community. As a general rule, such protests and demonstrations will be facilitated by the appropriate campus stakeholders taking into consideration venue/location, scope, impact on campus resources, university policies and campus safety concerns.”

Please see the [University Response Guidelines: Protests and Demonstrations](#) for details.
